ANNEXURE

Reply to Clause (b) of the questio-Action taken on 15- Point Guidelines of Late Prime Minister

15 Points Programme	Action taken
1	2
I. Communal riots :	Item 1 to 8 relates to Home Department. The communally sensitive areas have been identifide The Police Offlcials known for efficiency, integrity and a secular attitude are Being posted to comunally sensitive districts. The DCs and S.P.S. have been instructed to keep a constant vigl on communeally sensitive area to prosvent possible eruption of communa carsion. According to the Guideelines issue by Governmen of India necessary orders have been issued sanctioning a scheme for institution of awards to Police personnel for promotion of integration and communal harmony. Dossiers of communal Goondas are being maintained in each Police Station. A close watch of news papers weeklies etc., is being kept to find out and to take action on objectionable articles published
1. The State Governments are being advised that in the areas which have been identified as communally sensitive and riot prone, District and Police officials of the highe t known afficiency, impartiality and secular record must be posted In such areas and even elsewhere, the prevention of communal tension should be one of the primary duties of D. M. and S. P. Their performances in this record should be an important factor in determining their promotion prospects.	
2. Good work done in this regard by District and Police officials shold be rewarded	

1	2
3. Severe action should taken against all those who incite communal tensions or cake part in violence.	
4. Special Court or Courts apecifically earmarked to try communal offences should be set up so that offenders are brought to book speedily.	
5. Victims of communal riots shoud be given immediate relief and provided prompt and adequate financial assistance for their rehabilitation.	
6. Radio and TV must also help in restoring confidence, communal harmony and peace in such affected areas.	Two Special Courts one at Mysore and other at Belgaum have been set up for dealing with cases relating to communal riots. The State Government has adopted the scale of ex-gratia payment suggested by the Government of India to be paid to the victims of the communal disturbances vide No. HD 63 SST 87 dated 29-1-1987. To the extent possible the facilities available through the Radio and TV are being used intimes of necessity to instll the confidence in the Public for maintaining communal harmony. Strict instructions have been given to the District Officers to seek co-operation
7. It is unfortuate that cerain sections of the Press sometimes indulge in tendentious reporting and publication of objectionable and inflammatory material which may incite communal tension. I hope that editors, printers publishers and other concerned will co-operate in finding a way to avoid publication of such material.	

1	2
II. Recruitment to State and Central Services ;	
8. In the recruitment of police personnel, State Governments should be advised to give special consideration to minorities. For this purpose, the composition of selection Committees should be representative.	from the Press in reporting communal distnrbances. Instructions have been issued to include representatives of minorities in all the recruitment committees.
9. The Central Government should take similar action in the recnitment of personnel to the Central Police Forces.	As regards item 9 and 10 Government of India has to take action. However, Government have also instructed the State Public Seetor Undertakings to bear these guidelines in mind while making recruitments.
10. Large Scale Employment opportunities are provided by the Railways, Natialised Banks and public Sector Enterprises. In these cases also the concerned departments should ensure that special consideration is given to recruitment from minority communities.	Facilities of training and coaching for taking up competitive examinations conducted by U·P.S·C, K·P.S.C and other and other recruiting agencies in 5 coaching centres and privided. They are at Bangalore, Mysore, Gulbarga Dharwad and Mangalore. These cenres are run by the Deartment. of Backwrrd Classes and Minorites. The minorities are also avsiling these facilities. It is also proposed to setup 13 more centres in 5 Universities of the State and action in this regard is being parsued.
11. In many areas recruitment is done though competitive examinations. Often minority groups have been handicapped in taking advantage of the educational	

1	2
system to compete on equal terms in such examinations. To help them to overcome thes handicaps, steps should be taken to encourage the starting of coaching classes in minority educational institutions to train persons to compete successfully in these exeminations.	
12. The acquisition of technical skills by those minorities who are today lagging behind would also help in nationai development. Arragements should be made to set up I. T. I. S. and Polytechnics by Government or private agencies in P. E. domineatly minority areas to encourage admission in such institutions of adequate number of persons belenging to these minorities.	In the educational institutions both Techinical and General run by the State Government reservation of seats for students from minorit comminaties is ensured at the percentage corresponding to the percentage or their population. Government have also sanctioned technical institutions for the minoritres themselves (1) One Medical College run by the Muslim community. and one Medical college run by the Christian communaity. (2) 4 Engineeriug colleges run by Muslium community. (3) 2 Engineering Colleges run by Linguistic Minorities. 12 Institutions belonging to Religious & Linguistic Minorities have been permitted to start Polytechnics in the State, Out of which 8 are

1	2
	run and managed by the Muslim community and One by Christian. In addition thare are also 14 Industrial Training Institutes run by Muslim Organisations, 5 by Christians and one by Jain Organisation. For the benefit of students of minority communities Government have constituted schemes for disbursement of sholarships and hostel facilities etc., Government have established a seprate Directorate for educational institutions run by minority communities.
III. Other measures	
13. In various development programme including the 20-Point Programme, care should be raken to see that minorities secure in a fair and adequate measure the benefits flowing therefrom. In the various committees which are set up to oversoe the implemention of such programmes, members of those communities should be actively involed.	The Planning Department of the State constantly monitor benefits flowing to the minorities from the various developmant programme of the State. A separate proforma for reporting the minority benefits has been evolved. Since there is no statutory reservation for the benefits go to minority communities there arepractical difficulties in collecting the exact number of beneficiaries in this regard. A Standing Committees in each districts in the State have been established under the Chairmanship of the Deputy Commissioners and the concerned officers along with the 2 minority people reprsenting as memers of this committee vide G O. No. DPAR 5 LMR 87 dated 18-12-87
14. Apart from the general issues to which I have referred there are various local problems which develop into needless irritants to minorities. For instance	Government have also constituted a Minority

encroachment of wakf properties and on graveyasds have led to protests and grievances in some places. Suitable steps should be taken to deal with such problems on an expeditious and satisfactory basis.

15. Problem relating to minoriteies need to be attended to on a continuing basis so that apprehensions are allayed and gynuine grievances redressed. To facilitate this, a special cell be created in the Ministry of Home Affairs to deal with matters relating to min rites.

Development Corporation for the economic upliftment of the minorities. This Corporation has formulated a scheme ''Swavalambana Margin Money Loan Scheme'' Under this scheme a total financial assistance of Rs. 51.02 lakhs to 641 minority community people has been given during the quarter ending 31-12-87. 135 candidates belonging to Religious Minorities were given training in Motor Driving free of cost. The Karnataka Financial Corporation has sanctioned assistance to the tune of Rs. 100.06 lakhs to 100 persons belonging to minority community.

Instructions for removal of encroachment have been issued to all the Deputy Commissioners. The majority of the Depnty Commissiones have furnished compliance Reports for having updated the Revenue Records. Removal of encroachments is being reviewed in tee divisional meetings. The question of fencing and construction of compound walls around Khabrasthans is being pursued with Zilla Parishads. The auestion of constituting a wakf Enquiry Commission is still under consideration of Government.

1	2
	Action is to be taken by Government of India. Howeever in so far as this State is oncerned, at the State level a separate section has been established in D·P·A·R to look-after the grievances of minorities and a separate Department for welfare of Backward Classes and Minorities have been established Besides a Minority Department Corporation have also been established to assist the members of the minority communities to take up projects for their economic upliftment.
